The concert tour will kick off at Sun City on Saturday, 1 November in the Superbowl at 18:00 before moving to Johannesburg on 4 November to Carnival City's Big Top Arena at 20:00.**

Roberta Flack is internationally acclaimed as one of the greatest songstresses of our time. Her songs enlighten and often stay in our minds long after the music has stopped. Her music transverses a broad scope of genres, ranging from pop to soul to folk to jazz.

Joining Flack on stage is two-time-Grammy

award winner Peabo Bryson. The King of romantic ballads such as Beauty And The Beast with Celine Dion and A Whole New World with Regina Bell. Flack and Bryson have collaborated together many times but perhaps their most famous hits are; Tonight I Celebrate My Love and You're Looking Like Love To Me.

Peabo Bryson describes the experience as: "I'd sing with Roberta in a taxi if you called up and said she'd be in it. I adore it. I adore being with Roberta. I adore being in her spiritual light. I adore being close to her talent and gifts. She's just extraordinary and exquisite in every single way. She represents whatever is quintessential in female vocalists, artists and musicians. The vast knowledge and the discipline, in terms of the standards of discipline that she has set for herself, is just phenomenal."

It's time to let the music do the talking. Tickets are available at Computicket. For bookings, contact Soul on Turf and Sponono on (011) 484 8490 or email: Nerina Cooper nerina@soulonturf.co.za ,
